

Dr. DE Drilling Engineering Toolbox

Simplify drilling calculations and engineering workflows

Over 190 Functions in 26 Groups

OVERVIEW

This past century has been the most pivotal for drilling technology advancements with the most influential drilling professionals collaborating with literature, books, and computer programs. But in the meantime, the amount of information we are receiving can many times be overwhelming.

Many of the technological advances and engineering applications from the past four decades have been encompassed into **Dr. DE**. It is a comprehensive collection of drilling engineering calculations, an all-in-one straightforward and user-friendly software.

Flipping through handbooks and spreadsheets to find solutions is no longer an issue. With **Dr. DE**, the user has access to over 190 functions ranging from drilling engineering fundamentals to advanced well path designs and 3D wellbore visualizations.

Dr. DE is available as a standalone software, a web-based software, and a mobile application.

KEY BENEFITS

Time-Saving and Efficiency

- Streamlined workflows and reduced calculation errors lead to higher efficiency.
- Access to over 190 drilling engineering functions means faster calculations and analysis.

Accessibility and Convenience

- Available as standalone software, web-based, and mobile app for flexibility.
- Intuitive design for easy navigation and use.

Reduced Information Overload

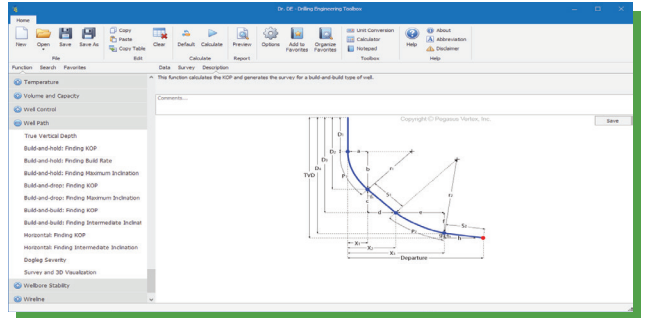

- Provides a structured and organized platform, **Dr. DE** helps users manage the overwhelming amount of information in the drilling industry, allowing for easier assimilation and application of knowledge.

KEY FEATURES

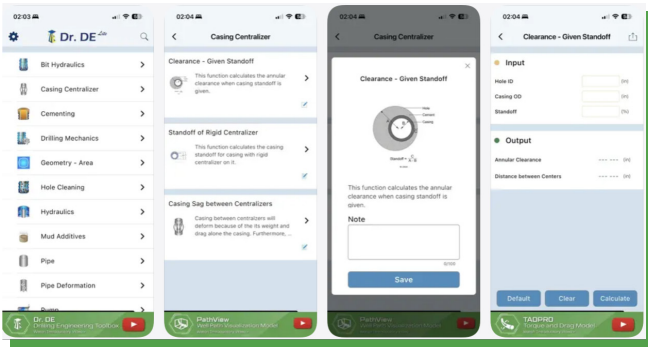

- Over 190 functions in 26 groups (Standalone only. Web-based Dr. DE has over 180 functions)
- Extensive and expandable tubular, centralizer and fluid database
- 3D well path visualization
- Intelligent 2D well path design
- Detailed illustrations
- Search function and favorite list
- Professional reports
- Export report to 10 different formats
- US oil field, SI, and customized units
- Company account with multiple users (Web-based only)

| TYPE | Catalog | OD (in) | Weight (lb/ft) | Grade | Casing | Connection | Assembly |
|--------------------|---------|---------|----------------|-------|--------|------------|----------|
| Casing Tubing | 4.000 | 4.000 | 13.500 | L80 | | | |
| Drill Pipe Class 2 | 6.500 | 6.500 | 13.500 | L80 | | | |
| Drill Pipe New | 6.500 | 6.500 | 13.500 | L80 | | | |
| Drill Pipe Premium | 6.526 | 6.526 | 13.500 | L80 | | | |
| Drill Collar | 7.000 | 7.000 | 13.500 | L80 | | | |
| Heavy Weight DP | 8.750 | 8.750 | 13.500 | L80 | | | |
| Tubing | 8.626 | 8.626 | 13.500 | L80 | | | |
| Line Pipe | 8.750 | 8.750 | 13.500 | L80 | | | |
| Aluminum DP | 8.626 | 8.626 | 13.500 | L80 | | | |
| Drill Pipe Premium | 8.976 | 8.976 | 13.500 | L80 | | | |
| Heat Meter | 8.626 | 8.626 | 13.500 | L80 | | | |
| Drilling Reamer | 8.626 | 8.626 | 13.500 | L80 | | | |
| Reamer Reversible | 8.626 | 8.626 | 13.500 | L80 | | | |
| MS-D | 8.976 | 8.976 | 13.500 | L80 | | | |
| MS-D | 10.750 | 10.750 | 13.500 | L80 | | | |
| Hydraulic Jet | 11.750 | 11.750 | 13.500 | L80 | | | |
